COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, FEBRUARY 17, 1999

COMMONWEALTH OF VIRGINIA, ex rel.

STATE CORPORATION COMMISSION

v.

CASE NO. PUE980628

AUBON WATER COMPANY,  
Defendant

ORDER ASSIGNING HEARING EXAMINER  
TO MONITOR COMPLIANCE WITH  
ORDER OF SETTLEMENT

On December 16, 1998, the Commission issued an Order of Settlement in this case which directed Aubon Water Company ("Aubon") to take certain remedial actions to install iron and manganese removal treatment facilities and to provide for disinfection of the waterworks serving Long Island Estates, using continuous chlorination. Aubon was further ordered to comply with a timetable for taking such remedial actions and the Commission retained jurisdiction over this matter.

On February 2, 1999, Aubon, through its President, G. Ray Boone, filed a request in this case for an extension of the timetable established by the Order of Settlement. This request by Aubon does not identify precise dates by which time Aubon expects to accomplish the remedial actions ordered.

The Commission, having considered the request of Aubon for modification of the timetable established in our Order of Settlement, is of the opinion and finds that a Hearing Examiner should be assigned to this case for the purpose of monitoring Aubon's compliance with the Order of Settlement and ordering such modifications of the timetable established therein as are just and reasonable.

IT IS ORDERED THAT:

(1) A Hearing Examiner is hereby assigned to this case for the purpose of monitoring Aubon's compliance with the Order of Settlement issued December 16, 1998.

(2) The Hearing Examiner shall have authority to rule upon all present and future requests for modification of the timetable ordered herein.

(3) The Commission retains jurisdiction over this matter until further order of this Commission.
